**JOINT STIPULATION AND [PROPOSED] ORDER**

Plaintiff Mobile Telecommunications Technologies, LLC (“MTel”) and Defendant Cellco Partnership d/b/a Verizon Wireless (“Verizon”) (collectively, the “Parties”) have met and conferred concerning a proposed schedule for the recently-transferred and consolidated Verizon action (C.A. No. 17-657), with the intention of eventually catching the Verizon action up to the current MDL schedule (C.A. No. 16-md-272, D.I. 69). The Parties have reached an agreement, subject to the Court’s approval, on the deadlines for claim construction exchanges and claim construction briefing on the patent unique to the Verizon action: U.S. Patent No. 5,581,804. The Parties do not believe that a claim construction hearing is necessary given the small number of claim construction disputes remaining but are available for such a hearing in late August or the second week of September, if the Court believes one would be helpful.

IT IS HEREBY STIPULATED by the Parties, subject to the Court's approval, that the time for certain claim construction deadlines on claim construction issues unique to U.S. Patent No. 5,581,804 be set as follows:

Deadline	Date
File Joint Claim Construction Chart	July 17
Initial Claim Construction Brief	July 28
Responsive Claim Construction Brief	August 11

Respectfully submitted,

REED & SCARDINO LLP
